11th-Grade English

Mrs. Hacker 2022-23

Course Description:

In this grade, students will explore the concept of the American Dream. Students will read foundational U.S. documents such as Lincoln's Second Inaugural Address and The Declaration of Independence, essays by Thoreau and Emerson, poetry by Hughes and Whitman, Arthur Miller's drama: The Crucible, and Zora Neale Hurston's: Their Eyes Were Watching God. These texts will help students gather evidence to incorporate in an informative essay defining what it means to be an American and a synthesis essay that argues whether or not America still provides access to the American Dream. Students will compare both print and film versions of The Crucible, and study various features of news outlets while working collaboratively to create their own news outlet.

“The American dream reminds us that every man is heir to the legacy of worthiness.”

—Martin Luther King Jr.

Welcome Pirates to the 2022-2023 school year. I am very excited to return to the classroom for my 24th year in education. I will be your English Teacher for 11th-grade.

This will be my first year at Rogers High School. I look forward to teaching and engaging lessons that inspire students' love for learning while achieving individual learning goals and targets for 11th-grade English.

Outside of teaching, I enjoy hiking on Mt. Rainier with my family, writing short stories, drawing, painting, and singing. I am looking forward to an amazing year of learning! I want to get to know each of you this year and discover what makes you a unique individual. In turn, I hope you will enjoy learning about English. Together, we will develop a positive learning environment where you can explore new ideas, practice skills to develop expertise, and feel comfortable and safe in expressing yourself.
