

Jax, Ma, Vik, and Kavita are excited to learn about the magic realm they will get to explore during their upcoming adventures. During their time exploring they befriend new magical creatures. Process of elimination will help you solve the logic puzzle to find out more about the friendship each character makes. Looking top to bottom and left to right might be just the key you need to solve the mystery.

Help Jax and His Friends Find their Magical Creatures

Jax, Ma, Vik, and Kavita are feeling blue until they each meet a new friend in the magical realm. Can you match the character with his or her new friend?

	Unicorn ●	Sea Serpent ■	Manatee ▲	Dragon ★
Jax				
Ma				
Vik				
Kavita				

1. Ma does not have a friend that starts with the same letter as her name.
2. Jax doesn't have a pet that lives in the water.
3. Vik is allergic to smoke.
4. Kavita loves to fly, but not with a serpent.
