Spokane Public Schools

The Summer Meals Program is a federally funded child nutrition program created to help children get the nourishment they need to learn, play and grow throughout the summer months. Children can go to the site closest to their home for free meals. Any child who comes to the site is eligible for meals, no registration required. All meals must be consumed on-site. Contact Nutrition Services with Summer Meal questions at (509)354-7785 or visit the website at spokaneschools.org/meals.
