

What is a School-Parent Compact?

A written commitment between parents, teachers, principals, and students that details the shared responsibility for student learning

Parent Outreach Opportunities

While we work hard to give our students ownership in their learning and their future plans, parent and family engagement is also an important aspect for On Track Academy. Check out the opportunities below if you are interested in partnering with us in your student's education!

- Yearly Fall Open House
- Parent Advisory Group
- Student Led Exhibitions (Fall & Spring)
- Open Door Policy - Stop by our main office or call at any time to check in.

School and Home Communication

Communication is of the utmost importance at On Track and you can expect to learn about your student's experience in the following ways:

- School Website
- School Facebook Page
- Semester Progress Reports
- Student Led Exhibitions
- Phone Calls from Staff
- Bright Arrow System
- Monthly Newsletter

SPOKANE PUBLIC SCHOOLS

HS Success Indicators

- % Students Passing All Courses
- Graduation Rate
- Inclusion Rates
- School Safety

At On Track Academy, we prepare our students for "What's Next" in their lives through an engaged and customized learning environment

Our Commitments

AS A SCHOOL

We will provide an individualized learning plan for each student that will increase their academic skills, support their growth as people, and prepare them as adequately as possible for their chosen future pathway

AS A PARENT/GUARDIAN

I will participate in Student Led Exhibitions and other school-wide opportunities and provide constructive feedback, learn ways to support my student and their advisers, and encourage my student to take full advantage of opportunities provided.

AS A STUDENT

I will advocate for my self and my learning. I will take responsibility for my behavior and my academic habits. I will actively pursue a post-secondary pathway and I will use all of the resources provided to me to help me be successful.
