Summer Assignment: 2024-2025 School Year

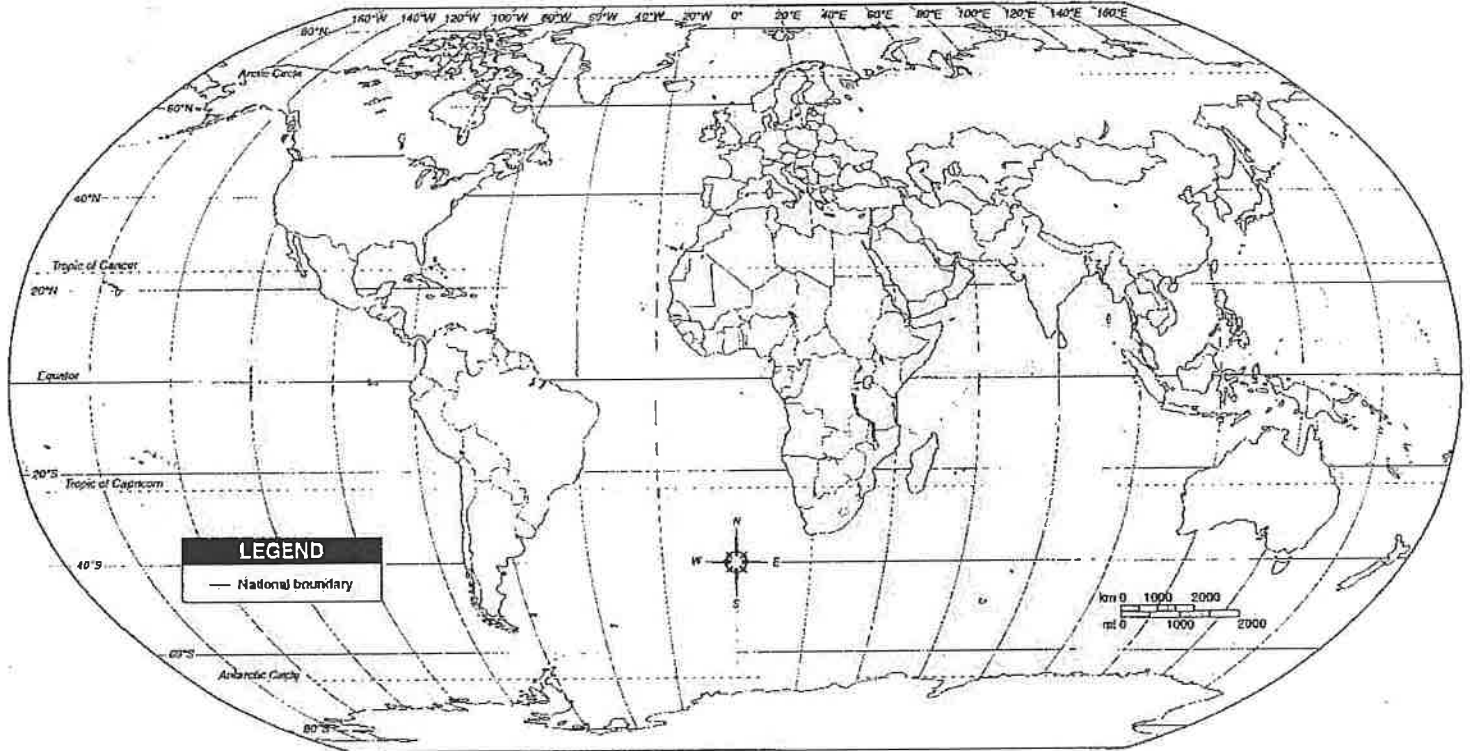

Overview: This packet includes two separate assignments that are meant to prepare you for the upcoming school year. You will need the AP Human Geography textbook to complete one of the two assignments. Do the assignments in order. The two assignments will be due the 1st day of class. These assignments will not negatively impact your overall grade but will provide you with a solid foundation for the upcoming school year. It will give you extra credit at the start of the school year though.

Assignment 1- Chapter 1 Vocabulary: Using the following instructions complete the vocabulary for Chapter 1. You will receive a copy of Chapter 1 or the textbook with your summer assignment. Please read through the chapter and highlight and annotate as you go. The vocabulary is found on pages 38-40. Each word will need a 3x5 notecard. There are a total of 51 terms. I will have a whole punch and rings available for you to put them all together once we get to class.
