

Summer Math Preparation Opportunities For IST Middle School Students 2023-2024

1. Sign up for a free Khan account.

2. Under Courses scroll down to

MATH: Get Ready Courses

Select the course for which you are enrolled in for the 2023-2024 school year. If you are entering 7th grade accelerated, you can work on either the 7th or 8th grade preparation courses (or both).

Khan provides a great opportunity to strengthen the skills needed to be successful in mathematics in the fall. You will come into the year with a strong foundation!
